President Oprah and veep Ocasio-Cortez share laughter after reading 2033 WikiSpills #4973.

We'll attack Germany and split it with Russia. Afterwards, we can say they started it and that the Blessed One - Adolph Hitler - was some kind of homicidal maniac. You know that it's the victors who get to re-write history.

Yes, quite...then I'll rain fire down upon the good people of Germany and raze their cities into ashheaps on the ground. And while we are at it, I would also like to take that little wop in Italy down a peg or two. Sounds like a plan...when shall we begin?

I call on all white supremacists in Saskatchewan to rise up and prepare for the day fast approaching when our great leader, the fuhrer Donald Trump, declares a national emergency after America's 2020 Election is stolen by Democrats, and he is forced to suspend Congress. We must support him by joining with the RCMP when they seize the Parliament of Canada to arrest Justin Trudeau, a Russian agent."

Who knew that I'd win the 2020 Election but Trump would nullify it by saying that Russians hacked our paper trail-less voting machines and the Supreme Court would back him up? Socialist are so gullible!

Why should billionaires be the only people to get *free money*? Let's democratize that and give *everyone* a thousand bucks a month, and let the billionaires survive on what they have already stolen from us.

United 
Conservatives
Alberta Strong & Free

To the Voters in the Upcoming Election &
All the Citizens (Good or Otherwise) in
the Rat-Hole Known as "Alberta" province:

Dear Shmucks,

The recent media revelations of my breaking the law in order to "fix" my electoral victory over numbnuts Brian Jean are, of course, entirely true. (Ha, bet you thought that I would deny it, but why bother ?)

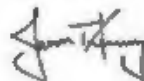

Unless you are some kind of simpleton on the order & magnitude of, say, a Jody Wilson-Raybould or a Joe Clark, you know the simple truth - that all politicians are liars who will commit any crime whatsoever to get elected. The rewards of elected office are too great. That is why the world of politics is crammed full of budding, and (like me), fully-fledged sociopaths who will lie, cheat and break the law at the drop of a hat if it will give us even the slightest advantage over our opponents.

Like the Big Oil company minions who are my puppet-masters say, if you're not smart enough to do anything useful in life, you can at least be a stooge for people who actually are doing useful things, and, at the same time, be well rewarded for doing them. So here I am.

The upcoming election is important. By now, most of you have forgotten that it was Conservatives kow-towing to Big Oil that got us into this mess in the first place. That is why we were split into two parties to begin with - to allow the New Democrats to come up the middle and win. That way we can blame them for the mess that we created and you shmucks will not only swallow it, you'll guzzle it and beg for more.

So do your job Albertans - blame Rachel's people for your troubles and put us back in power so we can screw the living hell out of you. After all, it is what you stupid bastards deserve.

Sincerely,

Honourable Jason Kenney, P.C.
Leader, United Conservative Party
